Dear PATH Friends and Supporters

I am sure the recession has affected your family to some degree. Hopefully, it has not been too severe and you still have employment (or a dependable income), your home is safe and your family's needs are met.

I wish I could say *PATH* has been safe from these economic difficulties. However, our revenues are declining with *PATH'S* government grants diminishing. At the same time, the demand for services is increasing. We are seeing new homeless faces in our community every day. As you know, we live in a depressed area. More people are joining the roles of unemployment, and losing their housing.

Now, more than ever, we need your support. With your help, we can actually earn extra income. Will you make a donation and help us to earn extra dollars through the **Annie B's Community Drive**?

North Valley Community Foundation has committed to granting a projected \$100,000 this year to local nonprofits. In order to receive a portion of these funds *PATH* needs to raise money from our organization's friends from August 1 through September 30. These donations will be sent to NVCF earmarked for *PATH*.

One hundred percent of the monies raised for PATH through Annie B's Community Drive will go to PATH. After September 30, NVCF will tally the total amount raised by all participating nonprofits and determine the percentage grant amounts that will be added to the funds we raise.

Donations must be received by NVCF by September 30 at 5pm. Donations can be accepted in many forms. Checks are most commonly used, but donations can also be made online with your credit card. NVCF also accepts gift of stocks or equities, and can even accept gifts of real estate or other personal property of value.

Checks are made out to: Annie B's/PATH

**Checks are mailed to: North Valley Community Foundation
