PATH HAS A NEW EXECUTIVE DIRECTOR

PATH has recently made some administrative changes to their organization. Dave Lamberson

has been chosen to be the new executive director for PATH. He was previously the program director. He will now be involved with all the functions for PATH. All of the department heads will report to him and he will report to the Board of Director's of PATH. Dave will also be active in the community on behalf of PATH. We are looking forward to the good things Dave will bring as our new executive director.

PATH WALK! A GREAT SUCCESS!!!

Thank you everyone for a great PATH Walk 2011. We joined Recovery Happens in River Park and made a day of activities with food and music by Roy and the Bigguns. It was a beautiful day. We could not have had better weather. We had a Pledge challenge presented that would match up to \$20K of all we raised. We raised \$8,000.00. This was awesome. That was more than three times what we raised last year. Every donation counted and we were thankful to all who contributed. So, once again...Thanks Everyone

REPORT FROM THE SALE HOUSE BY PAM KLEIN

The Sale House has gone through some changes this past month. Jodi Cordial resigned as our house manager. We are in the process of hiring a new Case Worker for the women. We will introduce the new person in our next newsletter. In the meantime some of our board members have stepped up to help. Our Treasurer, Debbie Bennett filled in as the house monitor and liked it so well she decided to become our full time house monitor. The ladies really love her and are excited to have her with them. I

have stepped in as acting Case Worker for the women. I meet with them one on one once a week and help them to stay focused on their programs. We have a house meeting on Sunday nights to discuss how the chores and the house are going. The ladies have been great during this transition time.

Once a month we have a drawing for a "House Bag" filled with toiletries, and other goodies, thus helping them stretch their funds. Each lady will have a chance to receive the bag.

We have started a Bible study for those wishing to participate. I bring my keyboard and we all sing along. The children really love the music.

The garden is still producing lots of vegetables. They are sharing them with people in need and with Hands of Hope.

PATHWAYS REPORT

Pathways is also going through a few changes. We will be hiring a new Case Manager for the men's program. In the meantime Dave Lamberson is continuing his responsibilities and the men are still very busy in the community. They came out every week for the the Farmer's Market and helped with the set up and the clean up for the entire three months. They just finished recycling for the Monster Truck weekend. They also helped with the set up and clean up for the downtown association, Beef & Brew event. Kiwanis asked for some men to come and clean up their camp after a week long of hosting kids for camping and fun. They are doing a great job in the community whenever they are asked to work. Thanks Guys!

PATH BANKS

It's still not too late to fill your PATH Bank. If you have one of our green PATH Banks, you can turn it in to Pam Klein at Furniture Depot 235 S. Main St., By Nov. 15th. The drawing for five \$100 Wal Mart gift cards will be held on Dec. 1st, at 12:00 noon at Furniture Depot. You do not need to be present to win. We have had a great success with our banks this year from individuals and from many merchants. Thanks! To all of you who participated.

PATH SHELTER ADVISORY COMMITTEE

In recent months PATH has formed a new Shelter Advisory committee to help locate property and find funds to build a permanent shelter here in Red Bluff. Board members, Kitt Condrey-Miller, Liz Keith, and Judy Crane are heading up the committee. The core group is made up of people who are drawn from various segments of our community. The committee will be identifying grants that will be appropriate to fund the shelter as well as advising on future construction of a permanent shelter. The Advisory committee will then bring this information back to the PATH board for review.
